### CHARACTER COUNTS at Forté Arts Center!

In November we will be starting our Character Counts program! Each month we will introduce a character trait and challenge the students to make this part of their daily routine.

November's Character trait is **RESPECT!** Treat others the way you want to be treated! The "Golden Rule" is great for relationships, but also can be applied to the things we own and borrow, the places we love, work, and play in, and the world around us! If you observe a student doing something that exemplifies **RESPECT**, go to the front desk and fill out a card to give to them!
